ABOUT THE SEMINAR

"Take up one idea. Make that one idea your life - think of it, dream of it, live on that idea. Let the brain, muscles, nerves, every part of your body, be full of that idea, and just leave every other idea alone. This is the way to success, that is way great spiritual giants are produced.

-Swami Vivekananda

Swamiji's Contributions to India

Swami Vivekananda revealed the true foundations of Indian culture and thus clearly defined and strengthened the sense of unity as a nation. The first Prime Minister Jawaharlal Nehru wrote: "Rooted in the past, full of pride in India's prestige, Vivekananda was yet modern in his approach to life's problems, and was a kind of bridge between the past of India and her present ... he came as a tonic to the depressed and demoralized Hindu mind and gave it self-reliance and some roots in the past." Netaji Subhash Chandra Bose wrote: "Swamiji harmonized the East and the West, religion and science, past and present. And that is why he is great. Our countrymen have gained unprecedented self -respect, self-reliance and self-assertion from his teachings".

To look into the aspects of Vivekananda on education, this could still be benefitted in this era. For this reason City Academy Degree College is going to organize one day seminar with the following sub-themes:

- a. Aims of education.
- b. Curriculum.
- c. Methods of imparting education.
- d. Teacher-Taught relations.
- e. Linkage of education.
